MORNING BUS STOP PROCEDURE

Location: Lick Mill Park   PICK-UP time: 7:45 AM
              4750 Lick Mill Blvd.   DEPARTURE time: 7:50 AM
              Santa Clara, CA 95054

You may park either in the Lick Mill Park parking lot or on the street on the same side of the street as the park.

DO NOT park on the opposite side of the street.

Due to the size of Lick Mill Boulevard in this area it is illegal to have any children cross the street to the bus stop, despite the crosswalk. Due to the railroad tracks in the area Delphi Academy is requiring all students to be driven to this bus stop. Please wait on the central tree-lined pathway in the park for the bus to arrive. All parents and children must be 12 feet away from the approaching bus at all times. Once the bus has stopped, put out the red stop signal arm and turned on the red flashing lights the driver will open the passenger door and the students may then load onto the bus. Once all the students are loaded safely the bus driver will turn off the red lights and stop sign and leave the bus stop.

There are bathrooms located in the brown building at the park, they should be unlocked by 7:00 AM. Feel free to use them, but do not miss the bus! Feel free to wait by the park buildings if it is raining.

Due to railroad tracks in the area and for safety reasons, Delphi Academy is requiring that all students be driven to this stop and not allowed to walk from home to the stop.

If you have any problems or issues with the bus service you may address them to the driver or Delphi administrators. Parents and students, please comply with the above procedure, and behave safely in and around the bus stop. Failure to do so will result first in a verbal warning. Repeated verbal warnings, disorderly student or parent behavior on or off the bus, or extreme unsafe conduct will result in a written warning and parent meeting with Delphi administrators, which may result in suspension or permanent denial of riding privileges, both for "home-to-school" and activity trip transportation.

Thank you for your cooperation.
